ELECTRIC FLUTE GEAR CHECKLIST

microphone

Any microphone works.

I recommend:

- K&K Sound Silver Bullet

speakers

A PA system with a mixer works best.

I recommend:

- Powerwerks 100H mixer
- two 100-watt speakers

effects pedals

Effects pedals available include delay, distortion, flanger, auto-harmonization, loop station, and many more.

I recommend:

- BOSS DD-7 Digital Delay
- BOSS VE-20 Vocal Effects Processor

accessories

- 1/4" cables
- 9-volt batteries
- power supply for pedals
- speaker cables
